 Erode

PROFILE

Software Engineer with 2.3 years of hands-on experience building scalable and dynamic web applications. Proficient in Javascript, React.js, Node.js and MongoDB, with a strong focus on performance, responsive design, and user experience. Gained exposure to AI integration using Ollama. Passionate about delivering client-focused solutions and continuously learning emerging web technologies

WORK EXPERIENCE

Software Engineer | Wellspring Systems Pvt Ltd , Chennai
Aug 2023- Oct 2025

- Developed and maintained scalable React.js applications using Material-UI, improving UI responsiveness and user experience.
- Built interactive dashboards with React ApexCharts and ECharts for data visualization and analytics.
- Implemented responsive UI layouts using HTML, CSS, Flexbox, Grid, and MUI breakpoints for cross-browser compatibility.
- Optimized frontend performance using React hooks, memoization, and component optimization to reduce re-renders.
- Designed and integrated RESTful APIs using Node.js and Express.js for seamless frontend-backend communication.
- Integrated OpenSearch for efficient data indexing and high-performance search functionality.
- Implemented JWT and OAuth authentication/authorization to secure application access.
- Improved form handling using React Hook Form with validation and error handling.
- Managed API calls using Axios and Fetch with proper loading and error states.
- Wrote unit and UI test cases using Jest to improve code quality and reliability.
- Collaborated in Agile/Scrum environments, participating in code reviews and feature enhancements

EDUCATION

HSC	GGHS SCHOOL , ANTHIYUR
B.E(CSE)	GOVERNMENT COLLEGE OF ENGINEERING (IRTT), ERODE
